Title: SHINRAI - Broken Beyond Despair Soundtrack

Genre: Indie

Developer:

Gosatsu Visual Novels

Release Date: 26 Aug, 2016

b4d347fde0

English

This soundtrack screams "generic VN"

Standouts include the upbeat jazzy pop song that plays when you're finding out who the killer is; and my personal fave, that one song with the poor mixing that has a sound like a phone message tone that will probably jump scare you.
